Water for Growth and Sustainable Development

SUPPLIER DATABASE INVITATION FOR PROSPECTIVE SUPPLIERS AND CURRENT SUPPLIERS

Ref: 01/2009

Umgeni Water is a state owned business enterprise that operates within the South African legislative parameters of the Water Services Act, Act 108 of 1997, PFMA 1 of 1999 and Public Audit Act 25 of 2004. The organisation is directly accountable to the Department of Water Affairs and Forestry. The primary function of Umgeni Water is to supply treated water in bulk to its municipal customers. Umgeni Water has identified some shortages of suppliers and service providers on its database in commodities and services listed below. An invitation is therefore extended to suppliers and services providers to apply for registration on Umgeni Water database.
